Mentorship and Accountability Hub for Unmarried Ladies

# What is Hangout With Single Sisters?

---

- Hangout with Single Sisters is a Mentorship and Accountability Hub for Unmarried Women run by Bodam Taiwo, with the aim of building a generation of women who are secure in their identity and who are living their very best lives in whatever sphere of life they've been called to.
- It is a safe space for unmarried women to express themselves, bond, grow and fully maximize their single season! It provides a structure for women to deliberately and systematically grow in every aspect of their lives including spiritually, financially, intellectually, health-wise, career/business, relationships and personal development.
- It runs in quarterly cycles (12 weeks) via the following mediums: WhatsApp, Zoom, Emails and Quarterly Hangouts.

# Why Join HWSS?

Hangout With Single Sisters

Systemic Growth

Accountability

Sisterhood

We follow a layered process to ensure that every woman is growing and improving across the different areas of her life. We are committed to raising holistic women who are secure in their identity and are living their very best lives.!

We know that going on this journey alone can be a bit more difficult, and so we leverage the power of Accountability to ensure every woman is walking towards her goals with a community of other women cheering her on, inspiring and motivating her to go for gold!

Beyond growth and accountability, our aim is to build a community of sisters. HWSS is a safe space; nothing is off the table! We laugh, play, have fun, respectfully disagree, celebrate and mourn with one another and vulnerably do life together!

# Activities in The Hub

- **Weekly Gist Sessions and Monthly Teaching/Q & A Sessions** across a variety of topics to help us grow, evolve and truly live our best lives. Replays of these sessions will be made available to Members.
- **Fireside Chats with Guest Mentors**: I'd be inviting some of my friends to share with us across different topics with the opportunity for Q&A.
- **Monthly Book Reviews**: The fastest way to acquire new knowledge is by reading and together, we will read and review some awesome books!
- **Goal Settings + Accountability**: To ensure we are being intentional about maximizing our season; we will set goals and hold ourselves accountable as a group to achieve them! We will have regular goal review days on the group to ensure we're on track!
- **Quarterly Hangouts**: To relax, unwind, meet one another physically, gist and just have a great time together! 😊
